

The Wessex Top Eleven Architectural Standards & Construction Guidelines

The Architectural Committee and Board of Directors of Wessex adopted the following standards and guidelines to assist you in planning any exterior changes to your property. These are intended to be guidelines, in conjunction with and in addition to any Covenant requirements. **ALL EXTERIOR CHANGES MUST BE APPROVED IN WRITING PRIOR TO ANY CHANGES BEING MADE.** A form for submitting those requests is attached. Your cooperation in the approval process is appreciated.

1. Home Additions/Improvements

- Consistent with the original design and style of the house
- Additions and porches may not extend beyond the side of the home
- Colors and materials must be consistent with the general scheme of the home and neighborhood
- Aluminum porches/sunrooms are not allowed

2. Landscaping

- Maintain a clean front natural area
- Remove all dead, damaged, or diseased trees and bushes from the front of house
- Front natural areas must be weed free and mulch applied
- Prune trees or bushes away from public walks and neighboring lots
